

Dear Club Instructor / Fellow Martial Artist

Re: May Martial Arts Course 2016

Once again, Bushido Budo Kai are proud to host the Spring Martial Arts Course at a large dojo building adjacent to the newly refurbished Twitchen House Holiday Park.

The last couple of years have been huge success, with sessions run by many top instructors and attendance filling our mat area completely. We therefore encourage you to book your place as early as possible... numbers for training will be limited.

Our aim this year is to run an equally successful and enjoyable event and we would love for you to be a part of it. The actual content will be dependent upon those who come and the arts they practice but it will involve a variety of disciplines including Judo, Ju-Jitsu, and Aikido along with some surprises!

The large dojo allows us this time to have permanently laid mats throughout the weekend and therefore more training hours per day along with the opportunity to open the invitation to many more people!

Hopefully, all information that is required is attached but if you do have other questions feel free to contact us.

To help us to plan as quickly as we can it is important that we have course fees and booking forms in as soon as possible. Your help in coordinating this is appreciated and if you can give estimates of numbers sooner, then we would be grateful.

Yours in Budo

Each evening entertainment will be provided by the recently developed Twitchen House Holiday Park, in their bar area.
